Goddard Shut Out Vermont Academy Yesterday

VISITORS PLAYED POORLY

While Scampini Was Stung with His Hits, Allowing But a Couple—God.

dard Played a Good Fielding Game.

The Goddard seminary base ball team added another shut-out to their string of victories yesterday afternoon when they "goose-egged" the Vermont academy nine's of Saxtons River and rolled up ten tallies for themselves. The only look-in the visitors had for a score was in the ninth inning, when they got a runner around to third base after he had singled and reached second base on Scampini's error in letting the hit roll by him.

The first three at the bat of the visitors' batting list were next up, but they failed to connect safely with Scampini's shots and the runner died at third after getting there on the second putout.

V. A. was weakly ragged in their field work, and only three of Goddard's runs were earned. The visitors acted tired from their three days' trip, in which they defeated Randolph high Tuesday and were beaten by Norwich university Wednesday. Though Goddard was able to get but four hits, including a home run by Boynton, off the two pitchers the visitors put into the box, their wiliness in hitting the batters and giving bases on balls were as bad as hits. In the first inning Pitcher Jerauld was unable to control his underhand shoots and he passed the first two men and hit the next two, forcing in a run. The short stop let Lee's grounder through him, scoring Goddard's second run in this inning without a hit. By poor base running Goddard was doubled at the plate and at third, and Scampini died out to third.

Jerauld settled down in the next three innings and blanked the locals, but in the fifth he walked Shina, who then stole second and scored on the pitcher's wild throw to catch him off second. In the sixth, Boynton, the first man up, binged the ball over the trees in right field for a home run and later Smith's single, which the center fielder let roll through him, scored Lee and Scampini. In the seventh Jerauld was "taken out of the box" after he hit Berry for the third time in the game, and Capt. Van Dyke placed himself in the box. The captain is a south paw and the locals got only one single off him in the two innings, though they scored four runs in the seventh inning on poor fielding.

Scampini was too stingy with his hits to the visitors, allowing them but two. Only three V. A. men reached a base and in the eighth inning he fanned the first three to face him. The score:

Goddard.

Notes on the Game.

Wishart carried off the medals in fielding work, having two putouts and six assists to his credit without an error.

Boynton's homers are getting to be expected.

Goddard's stick work was rather weak for that game.

The next game is with St. Michael's college of Winoski Saturday afternoon at 3:30 o'clock. Tuesday afternoon at 4:15, St. Lawrence university.

St. Michael's college is the only school team to defeat Goddard thus far this season and the locals will try hard to even this up on Saturday.

Goddard has won nine games out of eleven they have played thus far this season. They lost one game to the Italian Athletic club and were defeated at Winoski by St. Michael's.

Unless better crowds turn out to the games, Goddard will be forced to cancel most of the remaining games on its schedule on account of running behind on every game in which they have to give a guarantee.

CATARRH MICROBES

A Dead Microbe Is The Best Microbe—Hyomel Kills Them All.

Hyomel (pronounced High-o-me) is a killer of catarrh germs, because when you breathe it in, its antiseptic and germicide properties reach every nook and crevice of the mucous membrane, from the mouth and nose deep into the lungs.

Hyomel brings the Australian forests of pine and eucalyptus to your home. It is made of the active principles extracted from these trees.

No one who lives in or near these forests suffers from catarrh. To one who breathes in Hyomel the real forest air of Australia, will have catarrh for long after the treatment starts.

If you want to cure catarrh, croup, bronchitis, coughs, colds, asthma, hay fever, or relieve consumption, try Hyomel, the common-sense cure, the cure that reaches the spot.

A complete Hyomel outfit, including a hard rubber inhaler, costs only \$1.00, and extra bottles of Hyomel, if afterwards needed, cost but 50c each. Guaranteed to cure, or money back. Sold by leading druggists everywhere. Sold and guaranteed in Barre by The Red Cross Pharmacy.

Adana Reports That The Situation is Gradually Improving.

Adana, Asiatic Turkey, Wednesday, May 21.—The situation generally is improving and the government is completing its preparations to send the Armenians back to their homes. Influential Mohammedans in the country districts, however, who abduct Armenian women and girls during the raids, steadfastly refuse to give them up and the government has not yet taken any steps to compel their return.

The military commission sent to investigate the massacres continues to collect information. The doctors and other officers from the American cruiser North Carolina and the British cruiser Minerva have performed splendid service in the hospital and other relief work.

Most old people must give the bowels gentle, constant help. One candy Cascaret each day does that. Harsh physics, taken regularly, makes the bowels callous. Cascarets to not. Nearly all old people now use this natural, gentle help.
